WIS/ASRA - What's New - 11/2018

Under "Tips and Tricks" in "What's New," topics are presented that are **not new**, but are helpful for using WIS/ASRA.

Tips and Tricks:

"WIS" module

1. Tips and tricks: "Full-text search", "Document title" and "Advanced search" search mode

The following changes are included in the 11/2018 edition:

General changes

2. Update of Online Help

1. **Tips and tricks: "Full-text search", "Document title" and "Advanced search" search mode**

The "Full-text search", "Document title search" and "Advanced search" are extensively documented in the
